ADVENTIST CHURCH

Rufus B. McDannel, Pastor
Sabbath School Lesson No. 10 for March 6, 1971

Subject: The Christian's Relationship To His Neighbors of Other Races.
Keytext Scripture–"I am debtor both to the Greeks, and to the barbarians; both to the wise, and to the unwise. So as much as in me is, I am ready to preach the gospel to you that are at Rome also. For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to everyone that believeth; to the Jew first, and also to the Greek." Rom. 1:14-16.
Lesson Outline – 1. Charged to love and save all men. Matt.28-19,20. 2. Brothers Twice. Gen. 1:27; Acts 17:26. 3. The Great Example. John 4:9,10. 4. Human Relations in the Early Church. Acts 10:25-28. 5. Responsibility of the Remnant. Matt. 24:14. 6. Unity Among Many. Rev. 7:9.
In Rev. 7:9 John gives us a picture of this great mixed multitude of the saved. He says – "After this I beheld, and, lo, a great multitude, which no man could number of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes and palms in their hands."
Only as one is converted is he equipped to go out in Jesus name and summon others for Christ. All who are converted are to do just this. The Holy Spirit fills a man who is converted that the man may be sanctified himself and he might have power to win others by his witness.
I Peter 1:22,23 reads thus. Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethen, see that ye love one another with a pure heart fervently: being born again, not of corruptible seed, but incorruptible, by the Word of God, which liveth and abideth for ever.
Dear brothers and sisters let us get our Bibles and give them a goood dusting in preparing ourselves for service for others as the "Good Book" tells us we must do.

Letter To The Editor

The Times-Virginian
Appomattox, Va.

Dear Editor:
Since Bernadette Devlin, the youngest member of Parliament and a militant Catholic leader in Northern Ireland, will be speaking in this area within the next week or less, I want to urge everyone to attend her meetings. She will be at the University of Virginia Monday night and another college nearby on.
Thomas Martin, Mrs. Randolph Tyree, Mr. and Mrs. Charles Martin, Mr. and Mrs. Herman Moore Jr., Mr. and Mrs. David Martin, Mr. and Mrs. Abner Martin, Phil and Patricia Martin, Mr. and Mrs. Hilton Maddox, Debbie and Teresa Maddox, Mr. and Mrs. Howard Blanks, Jr., Mike, Robin, Tim and Cheryl, Mr. and Mrs. Glenn Morris, Susan and Amy.
Mr. and Mrs. Walter Young and Myra Young visited Mrs. Fannie Crews Saturday evening.

I believe, Saturday night. Miss Devlin has been visiting U. S. colleges in rapid succession and has been receiving standing ovations for her attack upon "the system". The Christian Beacon for Feb. 18 has an article in it on page 2 which states that "observations are now being made between the fact that Vice-President Ky was detained and kept from coming to Washington to speak at the Victory Rally, but so far as anybody knows, nothing has been done to, in anyway, hinder Bernadette Devlin from enlisting the support of American students for the Communist revolution and the overthrow of the United States."
The Washington, D. C. Post, Feb. 10, 1971, has an article which states that "Bernadette Devlin, a 23-year old activist leader of Northern Ireland's Catholic minority, spoke from the steps of Georgetown University in the moonlight last night to ask that workers gain control of their factories and students gain control of their colleges." The same article goes on to say "She called the current struggle in Northern Ireland a struggle between economic classes rather than one between Protestant and Catholic. "True freedom", she said, "means ownership of the means of production by all of the people, not just a few."
The Camden, N.J. Courier Post, Feb. 16, 1971, has an article from the UPI which says that Bernadette Devlin thinks the government of the U. S. should be overthrown, but not by her. The article went on to say that a University of Maryland student asked her if she stood for overthrow of the American Government. "Yes" she replied, "I think all capitalistic governments should be overthrown." "But I'm too busy overthrowing the Government of Northern Ireland. That's your job – to overthrow your government."
So, I am urging everyone who can to please attend any meeting at any nearby college at which she might be speaking and learn firsthand what is going on. There is no question but that you will be able to read every word she utters in your daily paper - she gets wonderful coverage – but you ought to be there to see and feel the reaction from the students, many of whom might just be your daughters and sons.
Mr. Editor, thanks for listening.
William C. Hubbard
Appomattox, Va.
